(BLUE ANGEL PRESS cont.)and stood there dumbfounded. As sc
as his his tight grip had left me, I took off running, not
stopping to pick up my gun. As I ran, I listened intently.
But there was not a sound to be heard. I stopped ever so
slowly, ears at the ready,...still,...no noise! I stopped
and turned slowly. There was the bear back where I had left
him, facing me, standing on his hind legs, and waving his
arm in a beckoning motion. (He seemed to like what I did!!

note: I'm glad you guys can GM better than I can. First, the
TUR F 8LA-sev failed, being bounced by the dislodged ENG
A mos-sev. Then, I failed to give FRA credit for taking
8EL, so he builds instead of ENG.

FRANCE-TURKEY: How long can this go on? ((Four more centers,
I think he'll say...))
TURKEY-BM: IX.7; "...Where two or more equally well
supported units are ordered to the same space, neither may
move, even though one of them has been dislodged by a
supported attack on the same move." Hence my fleet is still
in 8la, not SEV. ((Yeah, yeah, no need to rub it in.))

dance with my house rules, I will propose it again, this
time not voting is YES. Please vote. Calling Matt as a
standby for France was a mistake, of course. KEVIN TIGHE can
have the position if he wants, I'll call SCOTT DRANE as a
standby.

ENGLAND-BM: You didn't really ask the Turkish player to
standby for France, did you?
ENGLAND-TURKEY: Maybe I should vote for the draw before you
take over France.

Just enough room to say that the international games have
moved to POMMES, I enjoyed seeing Scott Drane, David Pierce,
Fred Davis and all the MadFolk at DipCon, which was foolish
enough to award me a Best Austria. Enjoy the heat!

ITALY: The Italian government thanks France for its
 continued peacefulness. Thanks, also to Turkey.
 GER-BDARD: Two NMRs, and three misorders?! Except for
 France, this is the most inept bunch of players I've ever
 seen.

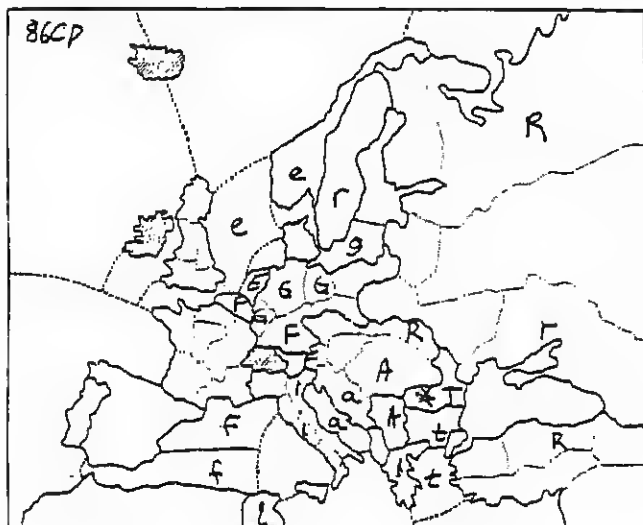

GER-GM: That ought to get ee on everyone's good side.

GER-BDARD: No, seriously, ha ha, do we all see that strong
 E/F alliance, or am I on drugs.

BELGORDD-DNESTROVSKIY: Dnestrovskiy Lian, once a proud frog
 ridden village near the Russian front, is now a lowly
 village of snails. This is what happens to villagers that
 place their trust in someone, and that trust fails. We here
 at Dnestrovskiy Lian feel that we have failed if others
 have failed us. So, snail soup is for breakfast. Austrian
 woras are for lunch. The camera pans to the sight of a small
 plane soaring out of the clouds.

LONDDN-MOSCDW: This isn't going to get ugly, is it?

AUS-TUR: I can't look, did it work?

RDME: Come and get ee you lousy stinking Turk!

LONDDN-ROME: The English are a reserved breed of people. We
 don't have overpowering urges.

BERLIN: I'm going south just as fast as I can. Clear the
 passes!!

AUSTRIA-TURKEY: Why don't you patch things up quickly and
 join ee... I promise it will be more sunny in Italy than in
 the Crimea.

POPE MARRIES SERBIAN: The Vatican announced today the
 marriage of his Greatness the Head of Rome, Defender of the
 Faith, Most Supreem Potentate, Wise Pooba, and head Alpha
 Male, Pope Lucifer, to a Serbian peasant girl named
 Franchesca Cheaposlut. This act is expected to unite the
 Balkan and Roean citizens.

AUS-RUSSIA: Sorry about that, but war is hell!

TURKEY: I can remember one day when I was hunting in the
 deep forest. With my trusty rifle at the ready, I bent low
 in the bush, awaiting my prey. All seemed quite ready when,
 suddenly, there was a rustle of brush behind me. I went to
 turn, but could not. A very large ... strong ... black bear
 had me in the proverbial bear hug. My rifle had been knocked
 to the ground, and both my arms were being crushed to my
 sides. I started saying my prayers when suddenly I had an
 idea. I reached down, and tickled the bear's balls, hoping
 all the while he was a male bear. He must have been, because
 he let out a roar, threw his hands back high into the air,
